

# Know what happens

if you don't have your  
belts and hoses checked?

*Do it now and you never will.*

Worn or damaged belts and hoses can damage your engine and cause overheating or stalling. Ask us for a belts-and-hose inspection from our professional technicians as part of your overall preventive maintenance program. It could save you from costly problems down the road.

**\$5<sup>00</sup> OFF**

**Belt Changeover and/or  
Coolant Hoses**

Expires 12/31/2009

The Automobile Club recommends belts and/or hoses that appear to be original should be replaced every 5 years/50,000 miles as preventative maintenance.
